

THE LESSER BANISHING RITUAL OF THE PENTAGRAM

CULT OF NONE · GODS WORK · THE DAILY RITE OF CLEARING & PROTECTION

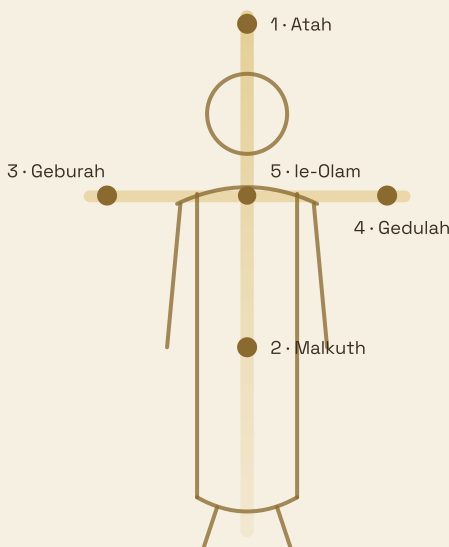

The single most useful ritual in all of Western magic — done daily, it clears the space, centres you, and seals your field. Learn it once; carry it everywhere.

IT IS YOURS

This is, honestly, a **Golden Dawn** rite — given to the world in 1888, built on far older Qabalah. The steps below are **correct and exact**; learn the form. But like everything here, the LBRP is **personal**. You can vibrate a higher Name or a humbler one; do it smiling, or stern and hooded in your robe. Watch ten practitioners and you will see ten rites. **The point is to practise — not to be perfect.** A clumsy ritual done daily beats a flawless one you never start.

I · THE QABALISTIC CROSS — CENTRE YOURSELF

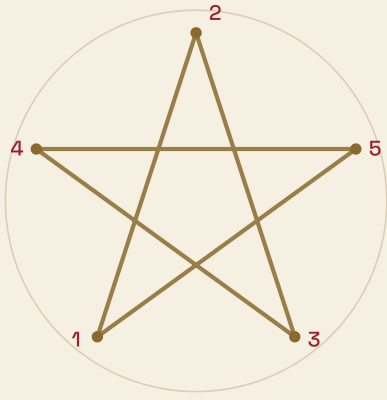

Stand facing **East**. Imagine a sphere of brilliant white light just above your head. With the first two fingers of the right hand (or a blade), touch and **vibrate** each word so you feel it resonate in the body:

TOUCH	VIBRATE	MEANING
Forehead (draw the light down)	Atah אַתָּה AH-tah	Thou art...
Chest / down to the groin	Malkuth מַלְכוּת mahl-KOOT	...the Kingdom,
Right shoulder	ve-Geburah וְגִבּוּרָה veh-ge-boo-RAH	and the Power,
Left shoulder	ve-Gedulah וְגִדּוּלָה veh-ge-doo-LAH	and the Glory,
Clasp hands at the heart	le-Olahm, Amen לְעוֹלָם אָמֵן leh-oh-LAHM, ah-MEN	for ever. Amen.

Touch the five points in order (1→5), vibrating each Name, until a bright shaft (crown→feet) and bar (shoulder→shoulder) form a living cross through you. Left/right are the *figure's own* — your **right** shoulder is ③.

II · THE FOUR PENTAGRAMS — DRAW THE BOUNDARY

Trace it in the air in bright light, following the numbers: begin at the lower-left (1), draw up to the top (2), down to the lower-right (3), up-and-across to the upper-left (4), straight across to the upper-right (5), and close back to the start. One clean five-pointed star per quarter.

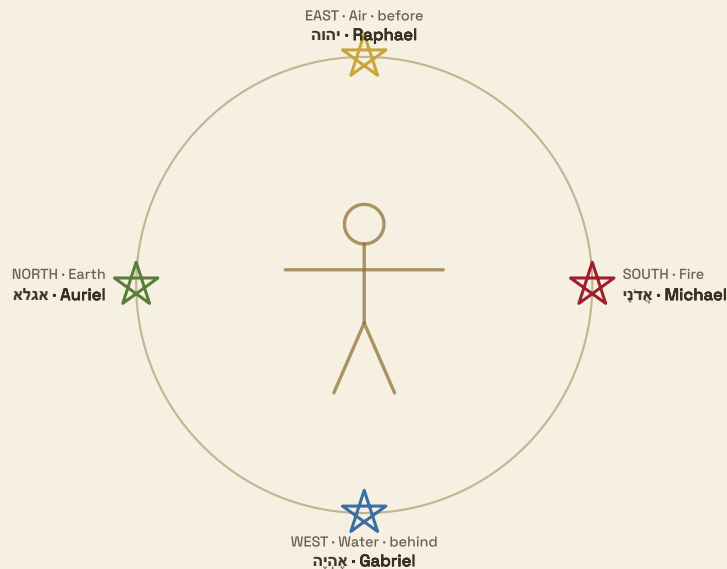

Facing each quarter in turn, trace the star, **stab your fingers / blade through its centre**, and **vibrate** the Name — then move clockwise to the next, trailing a **line of light** so the four are joined in a circle around you.

The banishing pentagram of Earth.

TURN TO	VIBRATE THE NAME
East (face)	YHVH יְהוָה · Yod-Heh-Vav-Heh
South (turn right)	Adonai אֲדֹנָי · ah-doh-NYE
West (turn right)	Eheieh אֶהְיֶה · eh-heh-YEH
North (turn right)	AGLA אַגְלָא · ah-gah-LAH

Return to the East, completing the circle of light.

III · THE FOUR ARCHANGELS — SET THE GUARDIANS

You stand at the centre, arms out in a cross. Name each guardian, seeing them rise tall around you — each at its quarter, element and colour.

Extend your arms in the form of a cross and say:

1. Before me, **Raphael** (East · Air)
2. Behind me, **Gabriel** (West · Water)

3. On my right hand, **Michael** (South · Fire)

4. On my left hand, **Auriel** (North · Earth)

Then: *"For about me flames the pentagram, and within me shines the six-rayed star."*

IV · CLOSE — SEAL IT

Repeat **The Qabalistic Cross** (Part I) exactly as at the start. The rite is sealed. You have cleared the room, centred yourself, drawn a circle of light, and set four guardians at the quarters.

HOW TO ACTUALLY LEARN IT

Watch it done. Reading a ritual is not the same as seeing one. Search **"LBRP" on YouTube** and watch several — women and men, some soft and smiling, some stern and hooded; some quick, some slow and grand. That variety is the lesson: the form is exact, the spirit is yours. Copy the gestures, then make it your own.

The one book. If you read a single practitioner's manual, make it Donald Michael Kraig — ***Modern Magick***. It teaches the LBRP step by step, in the same honest, do-it-daily spirit as this page.

The diagrams here are our own. For photographic, step-by-step guides to the postures, the figures in *Modern Magick* are the clearest there are.

DON'T WAIT TO BE PERFECT

You will fumble the Hebrew. You will forget which shoulder. It does not matter. The energy follows your **intent and your consistency**, not your accuracy. Do it every morning for two weeks and it will start to feel like coming home. **The heavens incline; they do not compel.**

Belong to yourself.
